EOHO Consulting is a full service Internet Marketing company. We have been helping our customers to level the playing field for small businesses on the web. We understand that times are hard for many small businesses right now and we want to help. After all, our company motto is Each One Help One (EOHO)! So, we are launching our own EOHO STIMULUS PACKAGE!

Our stimulus plan creates an opportunity for the small business owner to get online today. Your customers are looking for your business online, with your new website launched, they will be able to find your company! This package would typically cost \$500 with other competitors. Our regular price is \$199.00, however for a limited time offer or while the vouchers last. You can use the check above to cover the initial web design set-up costs. That's right! Write your own stimulus check and we will pay your initial investment of \$199.00.

This opportunity allows you to have a presence on the web. It is our starter package which includes the registration of your web address for two years, one well designed page to fit your industry, one graphic image of your choice, one custom email address with yourname@yourwebaddress, and one contact link to connect your customers directly to you. A web designer will guide you through the process of gathering your information and launching your website. Within a few days of receiving the final content and your approval, we could have your website launched. Do you need more than just one-page? No problem, we make it easy. You can also use your stimulus check for any upgrades to our multi-page Custom Websites. Visit www.eoho.biz for more information regarding custom web solutions. Just imagine you are only days away from having your own website. This is not a sub-domain of some commercial website. This website belongs to you. Share the good news with your friends and customers and watch your business grow.

Are you ready? Your website maintenance is just \$20.00 per month. This is a two year agreement. Your first and last months are due at signing. That cost to you is \$43.26, including tax. The monthly \$20.00 is conveniently processed through the electronic transfer system on the first of each month. We accept MasterCard, Visa, Discover and American Express. We have developers standing by. All you need to do is fill out the attached form and FAX, Mail or Email it to EOHO Consulting today!

Disclaimer: EOHO has the right to refuse any business, offer or extension without prior notification. To be eligible for this offer the customer must sign-up for the electronic transfer payment option and agree to a 2-year maintenance term.
